JUDGE / SUDAC

HANA BREZINOVA (CZ)
AMERICAN STAFFORDSHIRE TERRIER

My name is Hana Březinová. I am 64 years old and I have been actively working with dogs for 49 years. I have been breeding American Staffordshire terriers since 1990, and dogs from my kennel TIPIT Z HANKY can be found almost all over the world. I have bred over 150 champions from different countries, including European and world champions, BIG and BIS titles - it really cannot be counted.

Since 1999 I have been a judge for this breed and I have judged many important exhibitions in many countries, including World and European dog shows and shows in Australia, Spain, Serbia, Slovakia, Germany, Belgium, France, Austria, Denmark, Sweden, Poland, Italy, Croatia, Russia, Romania, Finland, Estonia and the Czech Republic.

At present, I still actively breed and exhibit my dogs at shows. That's why I also know how hard it is to raise a champion puppy. I will try to make this show pleasant for exhibitors and their dogs in all aspects.

I am honored to be able to judge this Specialty Show of the American Staffordshire Terrier Club in Croatia and I thank club for the invitation
